

§ 1209.19

§ 1209.19 Research.

Research means any type of study to advance the image, desirability, safety, marketability, production, product development, quality, or nutritional value of mushrooms.

§ 1209.20 Secretary.

Secretary means the Secretary of Agriculture of the United States or any officer or employee of the Department to whom authority has heretofore been delegated, or to whom authority may hereafter be delegated, to act in the Secretary's stead.

§ 1209.21 State and United States.

(a) *State* means any of the several States, the District of Columbia, and the Commonwealth of Puerto Rico.

(b) *United States* means collectively the several States of the United States of America, the District of Columbia, and the Commonwealth of Puerto Rico.

MUSHROOM COUNCIL

§ 1209.30 Establishment and membership.

(a) There is hereby established a Mushroom Council of not less than four or more than nine members. The Council shall be composed of producers appointed by the Secretary under § 1209.33, except that, as provided in paragraph (c) of this section, importers shall be appointed by the Secretary to the Council under § 1209.33 once imports, on average, reach at least 50,000,000 pounds of mushrooms annually.

(b) For purposes of nominating and appointing producers to the Council, the United States shall be divided into three geographic regions and the number of Council members from each region shall be as follows:

(1) *Region 1*: All other States including the District of Columbia and the Commonwealth of Puerto Rico except for Pennsylvania and California—2 Members.

(2) *Region 2*: The State of Pennsylvania—4 Members.

(3) *Region 3*: The State of California—2 Members.

(c) Importers shall be represented by a single, separate region, referred to as Region 4, consisting of the United

7 CFR Ch. XI (1–1–14 Edition)

States when imports, on average, equal or exceed 50,000,000 pounds of mushrooms annually.

(d) At least every five years, and not more than every three years, the Council shall review changes in the geographic distribution of mushroom production volume throughout the United States and import volume, using the average annual mushroom production and imports over the preceding four years, and, based on such review, shall recommend to the Secretary reapportionment of the regions established in paragraph (b) of this section, or modification of the number of members from such regions, as determined under the rules established in paragraph (e), of this section or both, as necessary to best reflect the geographic distribution of mushroom production volume in the United States and representation of imports, if applicable.

(e) Subject to the nine-member maximum limitation, the following procedure will be used to determine the number of members for each region to serve on the Council under paragraph (d) of this section:

(1) Each region that produces, on average, at least 50,000,000 pounds of mushrooms annually shall be entitled to one representative on the Council.

(2) As provided in paragraph (c) of this section, importers shall be represented by a single, separate region, which shall be entitled to one representative, if such region imports, on average, at least 50,000,000 pounds of mushrooms annually.

(3) If the annual production of a region is greater than 110,000,000 pounds, but less than or equal to 180,000,000 pounds, the region shall be represented by 1 additional member.

(4) If the annual production of a region is greater than 180,000,000 pounds, but less than or equal to 260,000,000 pounds, the region shall be represented by 2 additional members.

(5) If the annual production of a region is greater than 260,000,000 pounds, the region shall be represented by 3 additional members.

(6) Should, in the aggregate, regions be entitled to levels of representation under paragraphs (e)(1), (2), (3), (4) and (5) of this section that would exceed the nine-member limit on the Council
